PROFESSIONAL DESIGNATIONS

Certified Financial Planner™, CFP®

The CERTIFIED FINANCIAL PLANNER™, CFP® and federally registered CFP (with flame design) marks (collectively, the “CFP® marks”) are professional certification marks granted in the United States by Certified Financial Planner Board of Standards, Inc. (“CFP® Board”).

The CFP® certification is a voluntary certification; no federal or state law or regulation requires financial planners to hold CFP® certification. It is recognized in the United States and a number of other countries for its (1) high standard of professional education; (2) stringent code of conduct and standards of practice; and (3) ethical requirements that govern professional engagements with clients. Currently, more than 95,000 individuals have obtained CFP® certification in the United States.

Evangeline “Angie” Herrington - Form ADV Part 2B

To attain the right to use the CFP® marks, an individual must satisfactorily fulfill the following requirements:

- **Education** – Complete an advanced college-level course of study addressing the financial planning subject areas that CFP® Board’s studies have determined as necessary for the competent and professional delivery of financial planning services, and attain a bachelor’s degree from a regionally accredited United States college or university (or its equivalent from a foreign university). CFP® Board’s financial planning subject areas include insurance planning and risk management, employee benefits planning, investment planning, income tax planning, retirement planning, and estate planning;
- **Examination** – Pass the comprehensive CFP® Certification examination. The examination includes case studies and client scenarios designed to test one’s ability to correctly diagnose financial planning issues and apply one’s knowledge of financial planning to real world circumstances;
- **Experience** – Complete at least three years of full-time financial planning-related experience (or the equivalent, measured as 2,000 hours per year) or two years of full-time financial planning-related experience under the supervision of another CFP®; and
- **Ethics** – Agree to be bound by CFP® Board’s *Standards of Professional Conduct*, a set of documents outlining the ethical and practice standards for CFP® professionals.

Individuals who become certified must complete the following ongoing education and ethics requirements in order to maintain the right to continue to use the CFP® marks:

- **Continuing Education** – Complete 30 hours of continuing education hours every two years, including two hours on the *Code of Ethics* and other parts of the *Standards of Professional Conduct*, to maintain competence and keep up with developments in the financial planning field; and
- **Ethics** – Renew an agreement to be bound by the *Standards of Professional Conduct*. The *Standards* prominently require that CFP® professionals provide financial planning services at a fiduciary standard of care. This means CFP® professionals must provide financial planning services in the best interests of their clients.

CFP® professionals who fail to comply with the above standards and requirements may be subject to CFP® Board’s enforcement process, which could result in suspension or permanent revocation of their CFP® certification.

ITEM 3

Disciplinary Information

Angie Herrington has not been and/or is presently not involved in any disciplinary, legal, or regulatory events that would be material to a client’s evaluation of her or of Herrington Wealth Management.

ITEM 4

Other Business Activities

Certain associates of the firm are also registered representatives, licensed to sell securities. As a registered representative of an unaffiliated broker-dealer, he or she may earn additional compensation in the form of commissions for the sale of general securities products such as stocks, bonds, mutual funds, exchange-traded funds, and a variable annuity to investment advisory clients.

Evangeline “Angie” Herrington - Form ADV Part 2B

As such, your IAR may suggest that you implement investment advice by purchasing securities products through a commission-based account introduced through our unaffiliated broker-dealer in addition to an investment advisory account. In the event that you elect to purchase these products through our unaffiliated broker-dealer, your investment adviser, in the capacity as a registered representative, and our unaffiliated broker-dealer will receive the standard and customary commission compensation in connection with the particular product purchased.

Certain associates of the firm are also insurance agents licensed to sell insurance products. A conflict of interest exists in that these services pay a commission which conflicts with the IAR's fiduciary duties. Herrington Wealth Management does not require its IARs to encourage clients to implement investment advice through our insurance product recommendations. Clients have the right to implement insurance product recommendations through the insurance agency and agent of their choice. We require that all IARs disclose this conflict of interest when such recommendations are made. We also require IARs to disclose that the client has the right to purchase recommended products from individuals not affiliated with us.

ITEM 5

Additional Compensation

Angie Herrington does not receive any additional compensation.

ITEM 6

Supervision

Angie Herrington, Chief Compliance Officer of Herrington Wealth Management is responsible for supervising the investment advisory activities of the investment adviser representatives. Angie Herrington, monitors and reviews all forms of written communications that the investment adviser representatives provide to clients. Angie Herrington can be contacted via telephone at 214-509-8724 and via email at angie@herringtonwealth.com.

ITEM 7

Requirements for State-Registered Advisers
